

M

NATIONAL MULTI-INDUSTRY INFRASTRUCTURE

MISCONI USA

The Readiness Company™

Visibility. Readiness. Distribution. Activation.

A dual-engine infrastructure preparing businesses and suppliers to win across industries.

The Problem

Businesses and suppliers don't fail from a lack of opportunity. They fail because they lack the seven fundamentals required to operate and scale.

Visibility

Readiness

Structure

Compliance

Distribution

Contracting

Capital

Misconi USA solves all seven.

The Solution

A national, multi-industry infrastructure that makes businesses and suppliers contract-ready, distribution-ready, and opportunity-ready.

1

Visibility

2

Readiness

3

Distribution

4

Activation

5

Procurement

6

Capital

Contract-ready. Distribution-ready. Opportunity-ready.

Dual-Engine Architecture

ENGINE 1

Visibility & Intake

The Social Billboard Co.™

Streaming billboards driving continuous visibility, lead generation, and intake.

ENGINE 2

Readiness & Scale

Misconi USA

Readiness, distribution, and contracting operations that prepare suppliers to scale.

Two national engines, one integrated infrastructure.

Multi-Industry Reach

Our infrastructure supports businesses and suppliers across every major industry.

Retail

Service

Manufacturing

Logistics

Healthcare

Construction

Government

Nonprofit

Consumer Goods

Industrial Supply

The Four National Systems

01

Readiness System™

Readiness scoring & business preparation

02

Distribution System™

Supplier & product distribution readiness

03

Contracting Operator System™

Multilane contracting operations

04

The Social Billboard Co.™

National visibility & intake

National Registries

NBR

**National Business
Registry™**

National-grade identity and trust for
businesses.

NSR

**National Supplier
Registry™**

National-grade identity and trust for
suppliers.

These registries are the identity layer of the entire ecosystem.

Revenue Model

Ten national-scale service categories businesses and suppliers need to operate and grow.

1 Identity

2 Readiness

3 Compliance

4 Education

5 Representation

6 Visibility

7 Distribution

8 Activation

9 Procurement

10 Capital

National Expansion Model

We expand nationally across six coordinated growth engines.

1

Streaming Billboards

2

Readiness Cycles

3

Supplier Activation

4

Contracting Ops

5

Distribution Hubs

6

Registry Growth

A national, defensible, multi-industry platform.

2

National Engines

10

Revenue Lanes

2

National Registries

1

Defensible Platform

*Dual engines · ten revenue lanes · two national registries · built
for long-term national expansion.*

Join the National Readiness Infrastructure

- Partner with Misconi USA to expand national readiness and distribution
- Invest in a dual-engine model built for multi-industry scale
- Support national registry growth (NBR + NSR)
- Accelerate supplier activation across Opportunity Zones
- Fuel the expansion of The Social Billboard Co.™ — the national visibility engine

Let's Build the National Readiness Network Together
